Examiner Daniel Murray
Group Art Unit: 2443
U.S. Patent and Trademark Office

Re: Proposed Agenda for Telephonic Interview
U.S. Patent Application No. 10/551,175
Our Ref.: 00862.023664.

Dear Examiner Murray:

During our telephonic interview scheduled for Wednesday, June 23, 2010, at 2:00 pm, I would like to discuss Claims 19, 34, 35, 41, and 42, and the rejections thereof set forth in the Office Action of January 19, 2010.

More particularly, I would like to discuss whether Claim 19 as amended in the Amendment of May 19, 2010, would overcome the rejection thereof under 35 U.S.C. § 103(a) in view of U.S. Patent No. 6,115,137 (*Ozawa et al.*) and U.S. Patent Application Publication No. 2003/0123840 (*Fujinami*).

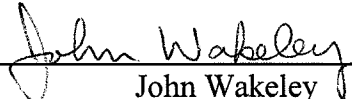

In addition, I would like to discuss whether the arguments regarding Claims 34 and 35 presented in the Amendment of May 19, 2010, would overcome the objections thereto.

Finally, I would like to discuss whether Claims 41 and 42 as amended in the Amendment of May 19, 2010, would overcome the rejections thereof under 35 U.S.C. § 101.

If you have any questions or concerns, please do not hesitate to call me at the number listed above.

Very truly yours,

FITZPATRICK, CELLA, HARPER & SCINTO
